

A Joyful Beginning For Your Child

Play School • Pre-Primary 1 • Pre-Primary 2

Welcome to Sherwood Pre-School

The early years shape everything that follows. At Sherwood Pre-School, your child begins their learning journey in a space that feels safe, joyful and deeply caring. Here children settle in gently, grow in confidence, and discover the joy of learning – without pressure or fear.

Our Learning Philosophy

Childhood comes first.

At Sherwood Pre-School, we believe childhood is not a race. The early years should be **joyful, secure and meaningful**, as they form the foundation for lifelong learning.

Our approach is **play-based and child-first**: where learning happens through **stories, conversation, movement, music and hands-on experiences**. Each child grows at their own pace, supported by attentive teachers who observe, guide and encourage **individual strengths**.

The Play-Learn-Grow Framework

Our proprietary six-domain approach to early childhood excellence:

Language & Communication

Numeracy & Thinking Skills

Sensory & Motor Development

Creativity & Expression

Environmental & Social Awareness

Personal, Social, Emotional Growth

Programmes Offered

Play School (2.5 – 3.5 years)

A gentle introduction to school with sensory play, early communication, stories, creative activities and social interaction.

Pre-Primary 1 (3.5 – 4.5 years)

Emerging skills in early literacy, numeracy, motor development, social confidence and thinking – all through guided play.

Pre-Primary 2 (4.5 – 5.5 years)

Pre-reading, pre-writing, early maths, communication, independence and emotional readiness for Class 1.

Why Sherwood Pre-School?

-  **Learning that feels like childhood**
Joyful, warm spaces filled with music, stories, nature and discovery.
-  **Teachers who truly notice every child**
Attentive, trained educators who prioritise comfort and confidence.
-  **Early intervention with in-house counsellors**
Gentle support for children who need additional attention.
-  **Purposeful play-based learning**
Every activity builds language, thinking, creativity and motor skills.
-  **Strong foundations for school & life**
Values, communication, resilience, numeracy, literacy - built slowly and joyfully.
-  **Safe, clean, child-friendly spaces**
Bright classrooms, cosy corners, sensory zones, outdoor areas.
-  **A trusted legacy since 1984**
Over four decades of shaping young minds with character and excellence.
